**2.1.** This Areawide Contract shall be in effect on and after the 23<sup>rd</sup> day of September, 2006, and shall continue for a period of ten (10) years, except that the Government, pursuant to the clause contained in FAR 52.249-2 (48 C.F.R. 52.249-2), incorporated into this Areawide Contract under Article 14.1-32, or the Contractor, upon 60 days written notice to the Government, and without liability to the Government or any Ordering Agency, may terminate this Areawide Contract, in whole or in part, when it is in their respective interest to do so, provided, however, that neither the stated duration of this Areawide Contract nor any other termination of it, in whole or in part, pursuant to such incorporated clause, this Article 2.1, or otherwise, shall be construed to affect any obligation for any payment, charge, rate, or other matter that may be imposed pursuant to the Contractor's tariffs, rates, rules, regulations, riders, practices, or terms and conditions of service as may be modified, amended, or supplemented by the Contractor and approved from time to time by the Commission.

**2.2.** Authorizations may be executed under this Areawide Contract at any time during the term of the contract, up to and including the last effective date. **2.3** The provisions of this Areawide Contract shall not apply to the Contractor's service to any Agency until both the Ordering Agency and the Contractor execute a written Authorization for electric service. Upon bilateral execution of an Authorization, the Contractor agrees to furnish to the Ordering Agency, and the Ordering Agency agrees to purchase from the Contractor, the above noted services for the installation(s) or facilities named in the Authorization pursuant to the terms of this Areawide Contract.

**2.4.** Nothing in this Areawide Contract shall be construed as precluding the Ordering Agency and the Contractor from entering into an Authorization for negotiated rates, provided such negotiated rates are in accordance with the rules and regulations of the Commission, if applicable.

### **ARTICLE 3. EXISTING CONTRACTS.**

**3.1.** The parties agree that an Agency currently acquiring service from the Contractor under a separate written contract may continue to do so until that contract expires or until such time as the Agency and the Contractor mutually agree to terminate that separate written contract and have such service provided pursuant to this Areawide Contract by executing an appropriate Authorization or Authorizations.

**3.2.** Existing rates and services currently provided under a separate written contract may be continued under the Authorizations described in Article 3.1 if requested by the Ordering Agency and agreed upon by the Contractor.

### **ARTICLE 4. AUTHORIZATION PROCEDURE AND SERVICE DISCONNECTION.**

**4.1.** To obtain or change service under this Areawide Contract, the Ordering Agency shall complete the appropriate Authorization and forward it to the Contractor. Upon the request of the Ordering Agency, the Contractor shall endeavor to provide reasonable assistance to the Ordering Agency in selecting the service classification which may be most favorable to the Ordering Agency. Upon execution of an Authorization by both the Contractor and the Ordering Agency, the date of initiation or change in service shall be effective as of the date specified in the Authorization. An executed copy of the Authorization shall be transmitted by the ordering Agency to GSA at the address provided in Article 16.1.

**4.2.** During the term of this Areawide Contract, effective Authorizations need not be amended, modified, or changed by an Ordering Agency to reflect changes in: accounting and appropriation data, the Contractor's tariff, the Contractor's cost of purchased fuel, or the estimated annual cost of service. Such changes are considered internal to the party involved. Where changes are required in effective Authorizations because of a change in the service requirements of an Ordering Agency, an amended Authorization shall be mutually agreed upon and executed.

**4.3.** An Ordering Agency or the Contractor may discontinue service provided pursuant to this Areawide Contract to a particular Federal facility or installation by delivering a written Termination Authorization to the other. Such discontinuance of service by an Ordering Agency or the Contractor shall be in accordance with the terms of this Areawide Contract and the Contractor's Tariffs.

### **ARTICLE 5. RATES, CHARGES, AND PUBLIC REGULATION.**

In the event the Contractor's Tariffs become inaccessible via the internet or the ordering Agency does not have access to the internet, the Contractor agrees to provide newly effective or amended Tariffs in accordance with the Contractor's Tariff distribution practices, policies and procedures applicable to all customers.

**5.3.** If, during the term of this Areawide Contract, the Commission approves a change in rates for services specified in Authorizations in effect hereunder, the Contractor agrees to continue to furnish, and the Ordering Agency agrees to continue to pay for, those services at the newly approved rates from and after the date such rates are made effective. As provided in Article 4.2, modification of any Authorization hereunder is not necessary to implement higher or lower rates.

**5.4.** The Contractor hereby represents and warrants to the Government that the service rates available to any Ordering Agency hereunder shall at all times not exceed those available to any other customer served under the same service classification for the same or comparable service, under like conditions of use. Nothing herein shall require the Contractor to apply service rates that are inapplicable to the Ordering Agency.

**5.5.** Reasonable written notice via an Authorization shall be given by the Ordering Agency to the Contractor, at the address provided in Article 16.2, of any material changes proposed in the volume or characteristic of utility services required by the Ordering Agency.

The Authorization or any other agreement used to obtain and provide the matters,

services, or technical assistance described in this Article 5.6 shall contain information descriptive of the matters, services, or technical assistance required or requested, including the amount of (or method to determine) any payment to be made by the Ordering Agency to the Contractor for the provision of said matters, services, or technical assistance.

**5.7.** Any charges for matters or services referenced in Article 5.6 hereof which are not established by the Contractor's Tariffs shall be subject to audit by the Ordering Agency prior to payment; provided, however, that notwithstanding such right to audit, payment for the matters and services referenced in Article 5.6 thereof shall not be unreasonably withheld or denied. The Contractor further warrants and represents to the Government that charges for the matters or services referenced in Article 5.6 hereof will not exceed the charges billed to other customers of the Contractor served under the same service classification for like matters or services provided under similar circumstances.

This charge will be applied to all amounts previously billed, including any unpaid late payment charge amounts applied to previous bills, which are not received by the Contractor when the next regular bill is calculated. The amount of the Late Payment Charge to be added to the unpaid balance shall be determined by multiplying the unpaid balance by the monthly Late Payment Charge rate of 1.5%. . Changes in the Contractor's Tariff provisions for the payment of bills shall supersede the provisions of this paragraph.

**7.2.** Payments hereunder shall not normally be made in advance of services rendered in accordance with 48 C.F.R. Subpart 32.4 unless required by the Contractor's Tariff. The applicability of this provision is limited to connection charge and line extension payments specifically cited in the Contractor's Tariff.
